

How to Contact the Fuse

Logging a support request through TFG Synergy

The Fuse is TFG's Shared Services team. When you need Employee Relations support, or help with an HR, IT, Finance or Non-Merchandise Procurement matter, you log a ticket through **TFG Synergy**. Synergy is the online tool used to log and track all Fuse Shared Services requests. On the system, you become the "requester".

Where to access the Fuse

Online portal	synergy.tfg.co.za (available on any device, at any time)
Call the Fuse	+27 (0)21 937 4742
WhatsApp	+27 (0)60 534 4503
Also found on	InSite and InTouch

Four ways to reach the Fuse

When you need support, you can:

- Call the Fuse Shared Services team
- Send a message via WhatsApp
- Log a ticket on TFG Synergy

The ticket journey

Once you have made contact, your request follows a simple, trackable journey:

- 1. Raise the request.** You contact the Fuse for support on an HR, IT, Finance or Procurement matter.
- 2. Ticket is logged.** Your request is logged on Synergy and assigned to a team to assist.
- 3. Communicate.** You and the agent update or communicate on the ticket directly in Synergy, using notes or resolution details.
- 4. Resolution.** Once you have been assisted, the resolution details are added and the ticket is resolved.
- 5. Track anywhere.** You can access and follow the progress of your ticket from any device.
- 6. Reference later.** You can follow the troubleshooting notes and reference them again in future.

When to log an ER ticket

For disciplinary and Employee Relations matters, log a ticket with the Fuse when:

- ☐ A final written warning must be issued
- ☐ A dismissal is possible
- ☐ A shop steward is being disciplined
- ☐ You are uncertain about anything to do with discipline

What to include in your ER ticket

To help the Fuse assist you quickly, include:

- ☐ Detailed information about what happened
- ☐ Statements from the employees and anyone else involved
- ☐ Full names and employee numbers
- ☐ Copies of any relevant documents (for example, sick notes)
- ☐ Copies of any previous warnings
- ☐ Your name and contact number

Remember

You are not expected to handle serious matters alone. If you are unsure, log a ticket. Asking the Fuse for support is a sign of good judgement, not a lack of capability.

Operating hours are Monday to Friday 07:00 to 19:00, and Saturdays and Public Holidays 08:00 to 12:00.
